### A CONCURRENT MEMORIAL

URGING THE CONGRESS OF THE UNITED STATES TO ENACT H.R. 1146, THE AMERICAN  
SOVEREIGNTY RESTORATION ACT OF 2005.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 To the Congress of the United States of America:

2 Your memorialist respectfully represents:

3 Whereas, the United States of America became an independent, sovereign  
4 nation for the reasons expressed in the Declaration of Independence and as  
5 the result of a bloody war to achieve its independence; and

6 Whereas, the Constitution of the United States of America is, and  
7 rightfully must remain, the Supreme Law of the Land; and

8 Whereas, the Constitution of the United States of America provides for  
9 limited, nondelegable and diffused powers of governments that are separated  
10 among the Congress, the President and the judiciary and that preserve the  
11 powers and duties of the individual states and the people; and

12 Whereas, the Constitution of the United States of America guarantees  
13 personal liberties of each individual citizen; and

14 Whereas, the Charter of the United Nations purports to supercede the  
15 independence and sovereignty of the United States and the Constitution of the  
16 United States of America and to usurp powers delegated in the Constitution  
17 by:

18 1. Concentrating in the United Nations Security Council control and  
19 use of certain American military personnel and the military personnel of all  
20 member nations for its own purposes without any accountability and in  
21 violation of the exclusive power of the United States Congress to declare  
22 war.

23 2. Seeking authority to tax citizens of the United States and other  
24 member nations directly to support United Nation activities.

25 3. Sponsoring and extending to all nations, whether signatories or  
26 not, an International Criminal Court that violates the rights of the accused  
27 as well as the Constitution of the United States and the Bill of Rights; and

28 Whereas, the oil-for-food effort in Iraq has been a global scandal that  
29 has enriched Saddam Hussain and his inner circle, leaving the Iraqi people  
30 further deprived, and has further enabled him to acquire arms and munitions  
31 that have been used against United States forces, all having occurred while  
32 under the supervision of the United Nations; and

33 Whereas, Congressman Ron Paul of Texas has introduced a bill in  
34 Congress that is known as the American Sovereignty Restoration Act of 2005.  
35 This important legislation, H.R. 1146, would end the membership of the United  
36 States in the United Nations; and

37 Whereas, H.R. 1146 would repeal the United Nations Participation Act of  
38 1945, the United Nations Headquarters Agreement Act and various other related  
39 laws. The bill would prevent the authorization of further monies for United  
40 Nations military operations and would terminate the participation of the  
41 United States in United Nations peacekeeping operations; and

42 Whereas, the Constitution and bylaws of the United Nations frequently  
43 conflict with the Constitution and laws of the United States. Over the  
44 years, past presidents have unconstitutionally transferred their authority to  
45 the United Nations commanders without the consent of Congress; and

1       Whereas, the enactment of H.R. 1146, the American Sovereignty  
2 Restoration Act of 2005, would end the usurpation of American powers by the  
3 United Nations and would reaffirm the sovereignty of the United States.  
4 Wherefore your memorialist, the Senate of the State of Arizona, the House of  
5 Representatives concurring, prays:

6       1. That the Congress of the United States take immediate steps to  
7 ensure the passage of H.R. 1146, the American Sovereignty Restoration Act of  
8 2005, and take any other measures necessary to dissolve the membership of the  
9 United States in the United Nations.

10      2. That the Secretary of State of the State of Arizona transmit copies  
11 of this Memorial to the President of the United States, the President of the  
12 United States Senate, the Speaker of the United States House of  
13 Representatives and each Member of Congress from the State of Arizona.
